The above numbers are limited in a couple of ways. Firstly, we have the practical consideration of the number of students we can take on a single coach (with chaperones and Lynden staff) and secondly, the routines created and learned will also be performed on the stage at the Anvil Theatre which is limited in size.

The above students from The Lynden School of Dance and The Dance Academy will be performing at one of the most prestigious theatres in the world, Sadler's Wells, on Wednesday 20th April 2011.

Sadler's Wells Theatre has a rich history in the performing arts that can be dated back to as early as 1683 and has become world renowned as "the home of dance". It was completely rebuilt and refurbished in 1996 to make it the most technically advanced venue in the United Kingdom.

Rehearsals

Rehearsals commence on Wednesday 5th January until Wednesday 13th April.

Audience Tickets

Further information regarding audience tickets will be available soon and if there is enough interest, transport will be provided for those that want to support the dancers.

Further opportunities for our students

Unfortunately we were unable to offer every student who wanted to take part a place for this performance, however, we are hoping that there may be other opportunities for our dancers to perform in the West End later next year and priority will be given to those who were unsuccessful this time.
